2. Additional Charges

a) Overtime Additional Charge

In the case any service by our tugboat(s) has commenced and/or completed within the overtime period, the following additional charge shall be added;

(Overtime period)

05:00 ~ 08:00、17:00 ~ 22:00 •••• 50% of the basic rate to be added

22:00 ~ 05:00 •••• 100% of the basic rate to be added

b) Sunday/Holiday Additional Charge

In case of any service by our tugboat(s) on Sunday and/or Holiday, 50% of the basic rate to be added.

Holiday means all National Holidays, 2nd and 3rd of January and 31st of December. And, overtime additional charge for any service by our tugboat(s) on Sunday/Holiday is the same way as the above (a), however, in this case, Sunday/Holiday additional charge is exempted(is not double-counted with overtime additional charge).

c) Bad Sea-Condition Additional Charge

In case of any service by our tugboat(s) in bad sea-condition(such as visibility less than 20m, wind velocity more than 15m per second, etc), bad sea-condition additional charge of 20%~50%(depending on degree of operational risk) of the basic rate shall be added.

d) Winter Additional Charge

In case of any service by our tugboat(s) during 1st of December and 31st of March, 50% of the basic rate shall be added.

e) Salvage Additional Charge

In case of any engagement for salvage action, 100% of the basic rate shall be added.

3. Others

a) Not only the time required for going and/or homing between the base(located in Western part of Tomakomai Port) and the workspot along a vessel but also any waiting time caused by a vessel's circumstance and/or convenience shall be regarded and counted as actual her working hours.

b) In the case the total working hours of a tugboat exceed one hour, the half of the basic rate to be added for every 30 minutes. The fractions less than 30 minutes shall be counted(rounded up) as the next 30 minutes.

c) The firm order for our tugboat' service after 17:00(on the day) upto 08:00(in next morning) shall be given to TTC by 16:00 on the same day at latest. Thereafter, the change of the firm order is not acceptable basically. Especially, regarding cancellation of the firm order after 17:00, the following "Cancellation Fee" shall be charged;

Case 1) In case tugboat(s) has not yet departed from the base, the basic rate for one hour shall be charged.

Case 2) In case tugboat(s) has already departed from the base, towage shall be calculated along actual working

hours.

- d) Regarding special(irregular) usage of our tugboat(s) other than the normal harbor service, another additional charge shall be added on, through pre-consultation/discussion with TTC.
- e) Towage calculated along this tariff is subject to a consumption tax in Japan, except the applicable case for "exemption of a consumption tax"

(Special treatment for our tug-boat service in Eastern part of Tomakomai Port)

- f) Regarding any service by our tugboat(s) in Eastern part(i.e. Central Wharf, Tomato Wharf, Shubun Wharf, Hokkaido-Sekiyu Kyodobitiku Pier,etc) of Tomakomai Port, the same basic rate of the above towage tariff and the same additional charges mentioned in the above 2-a, 2-b, 2-c, 2-d and 2-e shall be applied, except the following special treatment;

f-1) Trip additional charge for going or homing(respectively)	J.Yen 60,000/one way
f-2) Watch and Stand-by(ordered by Customer) additional charge	J.Yen 55,000/one hour
